## OUR COVID POLICY

At Kiyokawa Family Orchards, we are excited to be open for the 2020 U-Pick season! Our primary concern during the COVID-19 pandemic is the health and safety of our employees and customers. Our hours of operation have changed.

- **SAFETY FIRST**  
This year, changes are due to the procedures we must follow to keep our employees and visitors safe. We are following guidelines from the Oregon Health Authority, CDC, and Oregon Dept of Agriculture.
- **PRICING**  
We are implementing a "set price" depending on the size bag or box you choose. After you pay for the box(es) or bag(s), you are free to fill them as heavy or light as you wish. We accept Google Pay and Apple Pay for a touch-free experience.
- **CONTAINERS**  
Please do not bring personal containers and bags from home. We will have limited wagons available; you are welcome to bring your own.
- **PROTECTION**  
Face coverings are required as a safety precaution. Wearing of face coverings is highly recommended per CDC guidelines.
- **HANDWASHING STATIONS**  
Please use the handwashing facility before entering and exiting the fruit stand and U-pick area.
- **U-PICK PROTOCOL**
  - We ask that you do not eat fruit while picking, as required by law.
  - Keep together, and all children must stay with their parents.
  - No picnicking or outside food is allowed, do not consume food while picking.
  - Do not plan to meet in large groups. In the past we have encouraged just hanging out at the farm. This year, we ask that you come to U-pick or select fruit from the stand, and leave when you are finished.
  - Well-behaved dogs on a leash are welcome.
- **SOCIAL DISTANCE**  
Maintain a distance of 6 feet at all times and observe direction arrows. Our employees will wear face coverings and practice social distancing; the market/cash register area will have a designated entrance and exit.

*\*\*Do not come if you are sick, have symptoms of COVID-19, or have come in contact with someone who has COVID-19.*

*\*\*\*Please Note: As the season progresses, we may need to modify some of our procedures.*
